

## EDUCATIONAL PROCESS GOALS

In order to achieve educational outcome goals, the Board of Education will establish policies which will authorize and encourage:

Instruction which bears a meaningful relationship to the present and future needs and/or interests of students;

Specialized and individualized kinds of educational experiences to meet the needs of each student;

Opportunities for professional staff members to make recommendations concerning the content and operation of District programs;

An environment in which any interaction among individual students and groups of students helps them learn how and when competition and cooperation are appropriate and productive in accomplishing goals;

Efficient and effective use of educational resources;

Continued professional growth of staff members;

Constructive cooperation with parents and community groups.
