

INNOVATIVE PROGRAMS *(previously revised)*

The Board of Education wishes to promote the continued improvement of the instructional and curricular program of the schools through all appropriate means.

An innovative program design shall address the steps below when appropriate to the project:

Rationale

Specific objectives

Supportive research

Budgeting

In-service requirements

Plans for broader implementation

Methods for evaluation

Each innovative program shall be consistent with the District's objectives and long-range plans. Programs designed for disabled students must comply with Federal and State guidelines.
